

Spinner Stall is the school favourite

Riverbend students have spoken, and the verdict is in

By the Spinner Stall team, Year 6
Buddy Games Day was a huge success last Friday, and one stall came out well ahead of the rest.

The Spinner Stall was the clear winner on the day. We surveyed Preps at Games Day and 92% of them told us our stall was fun.

We ran the survey ourselves. We stood at the Spinner Stall near the end of the session and asked the Preps who were waiting in our queue what they thought of it. 12 Preps answered our question, and 11 of them said it was fun. That works out at 92%.

We also asked them what they thought of the Treasure Bag while we had them, but we have focused on our own stall for this article.

"Nearly everyone we asked said it was fun. That tells you everything you need to know about which stall Riverbend students prefer."

— Spinner Stall team

There were 40 Prep buddies at Games Day altogether, spread across the two stalls, and Riverbend has 406 students.

The maths class counted the results for both stalls as part of their statistics unit. Their chart is below.

Out of the 20 Preps at each stall, 16 gave the Spinner Stall a 3 or a 4, and 9 gave the Treasure Bag a 3 or a 4.

Games Day will run again next year. The Spinner Stall team is already planning a bigger spinner, and after results like these we think the whole school will be glad to hear it.

Thank you

Thanks to the Prep teachers, to everyone who helped set up, and to the Year 6 maths class for counting it all.
